Work Experiences

2021: Kyela District Council as Field Student

2022: Kyela District Council as Field Student

2023: Final Year Project – Developed the Kyela District Grievances System. The Kyela District Grievances System is a platform designed to provide a transparent and efficient way for citizens of Kyela District to file and track their grievances, complaints, and feedback related to public services and issues in the district, such as infrastructures,educations,health and security. This system allows local residents to submit their concerns online, ensuring that their voices are heard and that there is a clear process for addressing and resolving these issues.

2024-2025: Aga Khan Polyclinic Kibaha as Part-Time/Temporary Staff

Skills
